The door's open

As always it is our aim for everyone to be able to play in their respective teams and divisions without disappointment. This is an enormous task, and we welcome your help. We anticipate over 850 players and 150 RTO registrations and seek your assistance in facilitating these registrations efficiently.

STEP 1:

Player Registrations can be completed online from Thursday 2nd January 2020 at www.playfootball.com.au if you have problems call their help line on 8020 4199. For all returning players, this year should be easy, just enter your email address and follow the prompts. We are proposing a new approach this year. If the player or coach/manager was registered with SSFC last year then there is no need to come to Claydon Reserve for registration day, just arrive at team selection / grading night. We do though recommend to **print your payment receipt or save a PDF version!** If you have problems with your registration place come down to the ground and see us.

REGISTRATION FEES include Referees Fees – No more to pay on a weekly basis!!

2. Once you register, you will receive a unique voucher code for each child (shown on screen and via email).

Computer facilities are available on registration days at the club but there are often lengthy delays. Doing your registration in advance saves you plenty of time and hassle.

We cannot accept registrations by mail, via the canteen, via the SSFC mail box or by any other method unless prior arrangement is made directly with the Registrar by email ssfcregos@gmail.com

MANAGERS & COACHES – We welcome all applications for Managers and Coaches (RTO – Registered Training Officers)

We recommend as many parents, relatives and others interesting in coaching to register as RTO's even if you will not be regularly coaching or managing. If you will be managing or coaching, you will need to apply for a Working with Children Check and obtain a WWC number.

You need to register online through the Working with Children web site to receive a registration number. Take this number to a NSW Service Centre where they will verify your identity (Passport/drivers licence) and complete the registration. Between 24 hours and 2 weeks later you will receive an email confirmation of your clearance and a WWC number, you need to provide the WWC number to SSFC via email www.playfootball.com.au or bring a copy of the number to SSFC.

To be a RTO you will need to register on myfootclub.com.au, please select Volunteer even if you will not be undertaking this role and then bring the following to our registration days or to the canteen:

- Printed copy of your proof of registration or receipt of payment from www.playfootball.com.au
- Confirmation you have uploaded the players photo
- Copy of birth certificate **OR** passport **OR** Driver's Licence
- You will need to complete a Working With Children statutory declaration, a copy of which will be placed on our website and in the canteen soon.

Season starts for most ages Saturday 4th April 2020, the first internal trials commence 29th February.

Team allocation and Grading – Grading commences on 10th February over a 2 weeks period for all age groups. This year in the first week we will have a night where under 7 to 11's can try out for our Advanced teams. Once you have registered, we will send out dates and times for team allocation and grading.
